

NOTICE

Date: 27.11.2024

To: All D. Pharma Students (Session 2023-24)

Subject: Strict Warning Against Malpractices in Examination Centres

This notice serves as a final reminder to all students of D. Pharma (Session 2023-24) about the importance of maintaining discipline, integrity, and adherence to rules during the ongoing examinations. The institution has received formal communication from the Council regarding the increasing instances of misconduct and malpractice at examination centers, and it is imperative that all students take this matter seriously.

Mandatory Guidelines for Students:

1. Timely Arrival:

- Students must report to the examination center at least 30 minutes before the commencement of the examination.
- Latecomers will not be allowed entry under any circumstances, as per the Council's regulations.

2. Prohibition of Unauthorized Items:

- Carrying or using any unauthorized materials, including but not limited to mobile phones, cheat sheets, electronic devices, or other prohibited items, is strictly forbidden within the examination premises.
- Such actions will be considered a serious breach of conduct.

3. Zero Tolerance for Malpractices:

- Any attempt to engage in malpractice, including copying, sharing answers, or using prohibited aids, will result in immediate disqualification from the examination.
- Offenders may also face legal consequences under the Public Examinations (Prevention of Unfair Means) Act, 2024, which allows for stringent action, including police reporting and further legal proceedings.

4. Strict Compliance:

- Students must strictly adhere to the examination rules and regulations communicated by the Council and this institution. Ignorance of the rules will not be accepted as an excuse for any violation.

Institutional Disclaimer:

Natural College of Pharmacy categorically states that it will not assume any liability for students found violating examination guidelines. Any misconduct on your part will result in:

- Permanent cancellation of your examination registration.

This institution is committed to upholding the integrity and decorum of the examination process and expects the same level of responsibility and ethical behaviour from all its students.

Appeal to Students:

We urge you to recognize the gravity of this matter and conduct yourselves in a disciplined and responsible manner. Your cooperation is essential in maintaining the credibility of the examination system and ensuring a fair and just academic environment.

Let this serve as both a warning and an opportunity to reflect on the importance of adhering to ethical practices in academics. Any violation of these directives will invite the most severe penalties without exception.
